About Lions Myalup Pines Cottages Inc.

The Lions Myalup Pines Cottages Project is a project of the Lions District 201W2, with the aim to provide affordable accommodation for the under-privileged/needier families in the WA community and the general public.

This complex provides neat and tidy accommodation in a natural forest setting with all seven cottages being fully self-contained and can sleep 6-8 people in each. (bed linen, towels, food & drinks are not provided)

There is also an air-conditioned Hall on site with a fully equipped kitchen for holding various large functions including weddings!

Hardstand brick-paved venue and stage also available for outdoor weddings!

With the Old Coast Road Brewery, Myalup beach, the Harvey Golf Club and town site all close by, you can relax in the peaceful surrounds of the cottages or enjoy various activities.

There is also a small library, pool table, basketball half-court, children's playground, beach volleyball court, and various games available from the caretakers for your enjoyment.

Rules

- Be safe, play safe
- Respect others and their values
- Leave the campsite clean
- Drink responsibly

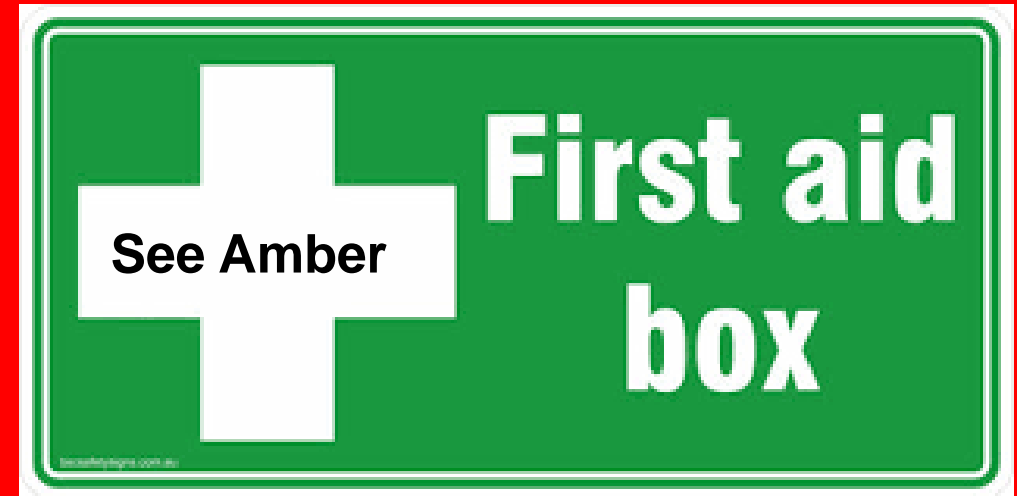

IMPORTANT NOTICE

Please be aware there is an emergency Fire Button on the Main Hall entrance, I've been informed this is not to be pushed unless in an emergency.

This will be shown to all adults on arrival without kids around- as I know my boys will find it to be a PUSH ME-RED button moment, better we don't make it noticeable!
